## **DECISION**

### **Authority**

The functions, powers and duties as the District Licensing Committee is delegated to the committee chairperson where no objection has been filed, and no matters of opposition have been raised by the Police, Medical Officer of Health, and Inspector, in respect of the following applications:

- an application for a licence;
- an application for a manager’s certificate;
- an application for renewal of a licence or manager’s certificate.

### **Statutory Provisions**

- Section 191(2) of the Sale and Supply of Alcohol Act 2012
- Council resolution dated 23 November 2013;
- There is no Local Alcohol Policy in place.

### **Summary of Evidence**

Reports from Police, the Medical Officer of Health and the Inspector appointed under the Act do not oppose the issue of a licence. Based on the information provided to me on the complete file, I have determined not to convene public hearings.

### **Evaluation of Evidence**

I have considered the application and have had regard to Section 4 of the Act, being the Object of the Act and have had regard to Section 105 of the Act, being the criteria for issue of licences and have regard to Section 106 of the Act, considering the effects of issue of a licence on amenity and good order of locality.

I have considered this application on the basis of the reports received where no objections have been raised. I therefore conclude there is no reason not to grant this application.

### **Decision and Reasons**

All reports are satisfactory and no objections have been raised to the granting of this application.

Therefore I determine that this application for a Off Licence be granted.

The licence may be issued immediately to SDSS Limited, the applicant once the payment of the annual fee is recieved.
